

Certificate
No. 01-072-20

JSC "Kiwa Inspecta" acting as Notified Body in accordance with Directive 2014/68/EU
(Notified Body No. 2268) certifies, that pressure equipment

Methanol storage tank

manufactured by

JSC "Vakarų technologiniai sprendimai"

Minijos g. 180, LT-93269 Klaipėda

Company Code: 302342692

meets the essential safety requirements established by Directive 2014/68/EU for
Pressure Equipment and it was subject to conformity assessment procedure

Conformity based on unit verification

(Module G)

DESCRIPTION OF PRESSURE EQUIPMENT:

Methanol storage tank		
NAME OF PRESSURE EQUIPMENT	PLACE OF ERECTION	
JSC "Vakarų technologiniai sprendimai"	VTS-PEDVES-1	2020
MANUFACTURER	IDENTIFICATION No.	YEAR OF MANUFACTURE
WBEMLT.2.15	15,0	2068 L
TYPE AND MODEL	MAX. ALLOWABLE PRESSURE PS (BAR)	PARAMETERS DEPENDING ON PRESSURE EQUIPMENT
-20...+80	Methanol / 1	IV
MIN./MAX. ALLOWABLE TEMPERATURE TS (°C)	FLUID / GROUP OF FLUID	CATEGORY

This certificate has been issued on the ground of pressure equipment examination report No. 01-072-20 (2 pages).
Certificate holder is responsible for declaration of conformity by PED 2014/68/EU and must affix the CE marking to the pressure equipment. The CE marking must be accompanied by the identification number:

CE 2268

Date of issue: 2020-12-22
